By casting your vote via absentee ballot you will forgo the opportunity to consider and vote on any nominations from the floor, if a meeting is held. This means that if there are additional members who express interest in being on the Board your votes will not be counted on the final vote on these measures. You may write in the name of any new candidate you choose to vote for. If you desire to retain the ability to vote on all matters, please attend the meeting. You may submit an absentee ballot and later choose to attend the meeting, in which case your in-person vote will prevail. Please notify the management representative upon your arrival so your absentee ballot can be voided.
