

Cross Oak's Ranch Homeowners Association

Dogs & Cats

We seem to be having a lot of lost dogs and cats lately. Some of the best prevention is walking your fence every other day to make sure your dog is not digging under it anywhere. Also make sure your pet has a collar with your name and telephone number so they can get back home to you.

Safety First!

In an attempt to keep our children safe we kindly ask that you be aware of where you park on the street. Areas around playgrounds, intersections, and pools have the most child traffic and parking around these areas should be avoided when possible. This is just one way to help keep our children safe!

720 & 380

Just a little info, I know a lot of people go off the side of the road to make a right turn onto 380 due to the major traffic back up's at this spot. But the last few days numerous Police Department have been issuing tickets for this offense. By Law seeing how there is no turn lane this is illegal, so please be advised. This problem needs to be communicated to Dept. of Transportation. So let's all ban together and contact them.

COR Social Committee

We need volunteers who can commit to planning and staffing activities throughout the year. Next up is Christmas! Contact Earl Sanders at corsocial12@yahoo.com if you can help. NOTE: Because we don't have enough volunteers we will not have any HOA sponsored Halloween activities this year.

Important Numbers!

Cross Oaks Elementary 972-347-7100

Navo Middle School 972-347-7500

Denton High School 940-369-2000
